

Multicultural Academy Fundraiser - “Kidman Cares for Kids”

Help us raise money for our school!

Local Meemic Insurance agent Matthew Kidman is a father with a growing family (see photo), and wants to give back to our school community.

Partnering with school leaders for the fundraising program, “Kidman Cares for Kids,” Kidman will donate \$20 to the Multicultural Academy with every valid Meemic Insurance auto quote*, up to \$3,000 for our school. No purchase is necessary.

Call for an auto insurance quote, our school receives \$20 – it’s that easy!

Simply:

1. Call the Kidman Agency at (734) 429-2707 and identify Multicultural Academy
2. Have your current insurance papers handy to speed up the quote process
3. Multicultural Academy receives one check at the end of the fundraiser

This fundraiser will run from the start of school to October 15, 2016.

A check will be delivered to Multicultural Academy within 2 weeks of end of the fundraiser.
